WHO WE ARE & WHAT WE DO

We are leaders in flour, ingredients and delicious bakery products. We bring fun, unique and a diverse range of products to people across Australasia every day and have done so for over 100 years.

WHY WORK WITH US?

One Stop Shop

Easier for you: Get everything you need from us. From flour and premixes to finished baked goods and everything in between, we are a one-stop-shop covering your baking needs.

Flexible Supply Chain

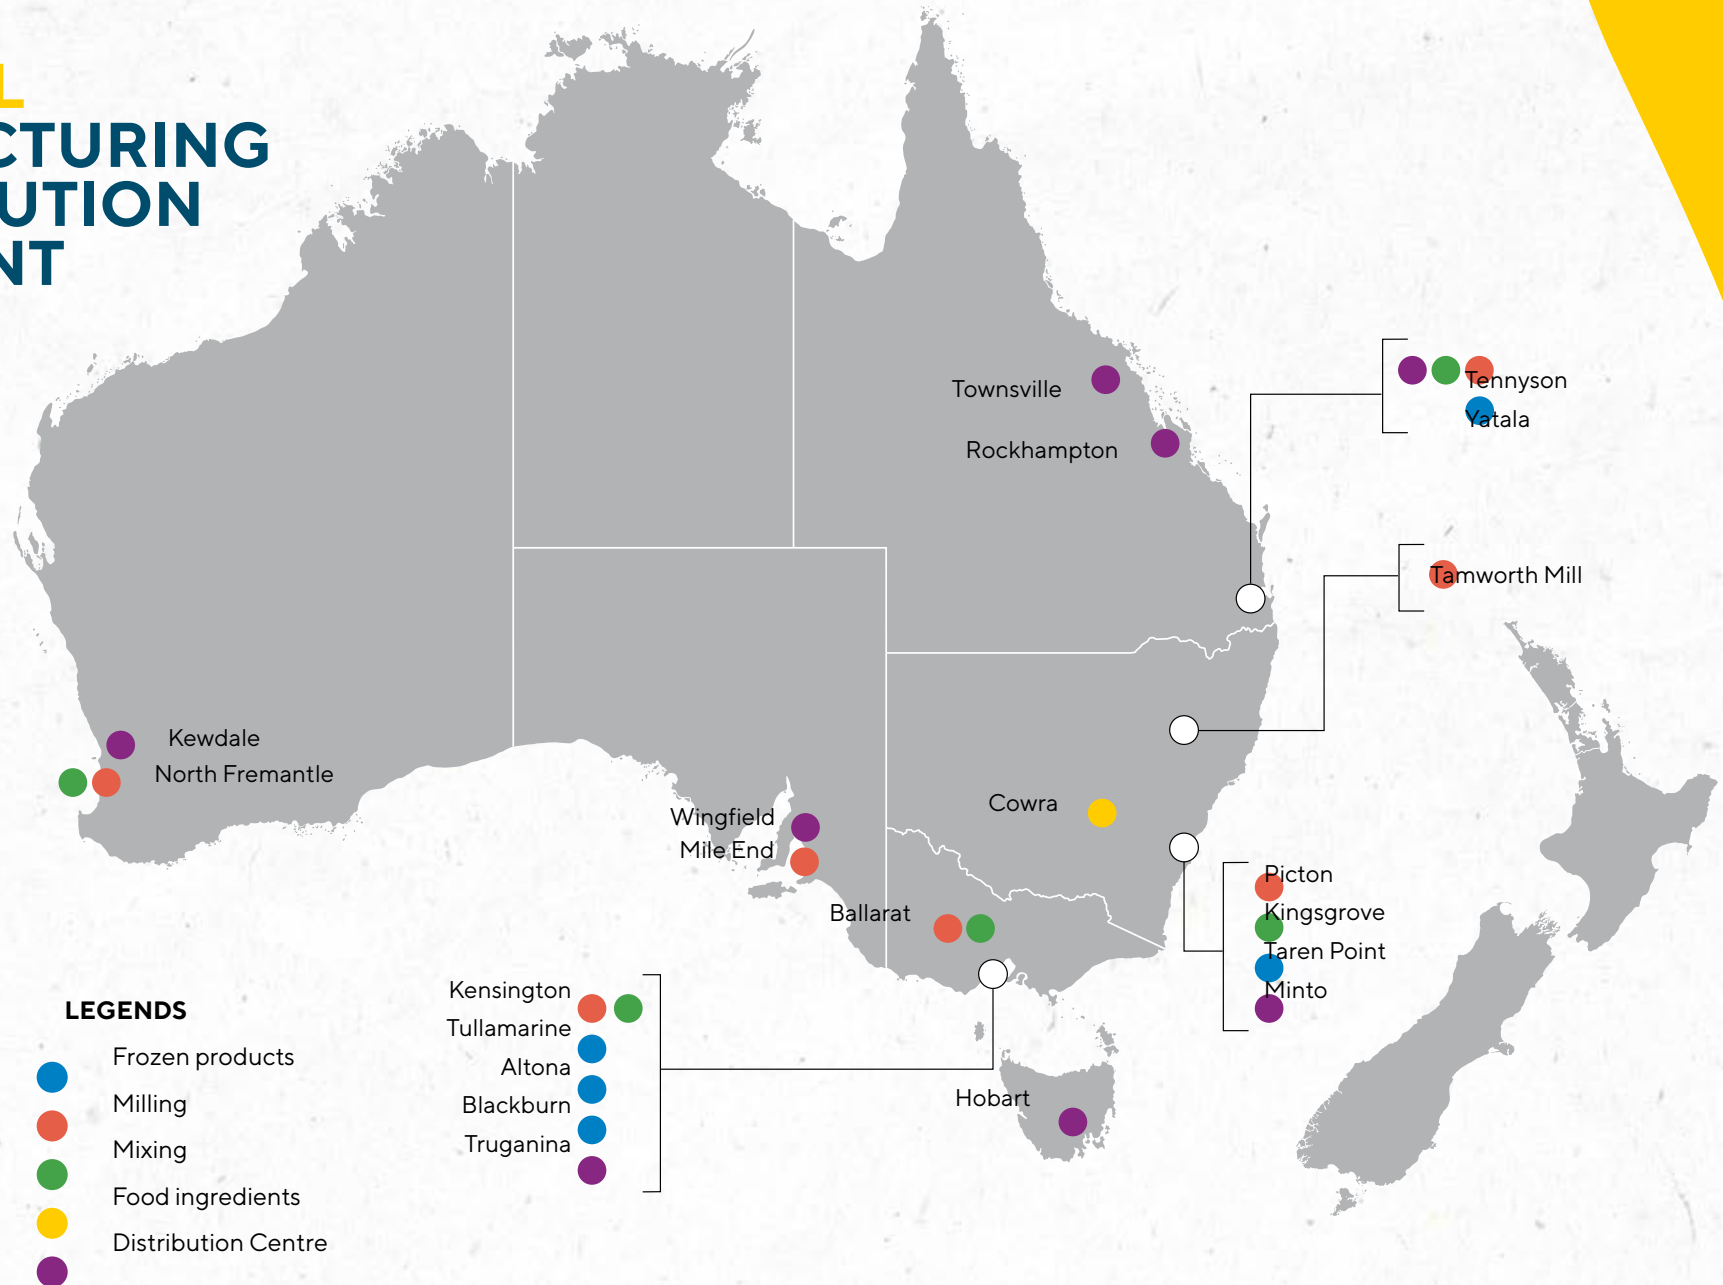

We are near you: We have a robust national footprint with 7 mills and distribution centres in every capital city.

Consistently High Quality Products

Over 100 years of trusted quality: Australia's most iconic brands trust us to supply products that meet world class quality systems. All our sites comply with strict food safety standards and have global quality accreditations.

NATIONAL MANUFACTURING & DISTRIBUTION FOOTPRINT

FLOUR & RELATED

Flour quality

We have a state-of-the-art production protection system that sieves and sterilises our flour to ensure product quality.

Longer shelf life

Our products are stabilised for food safety and longer shelf life.

Decrease your waste

Heat treated grains and flour have longer shelf life.

BREAD MIXES & SAVOURY MIXES

Convenience

Save on preparation time, labour costs and free up storage space in your bakery with our bread mixes and improvers.

Meet your consumer's changing needs

Offer on-trend and healthier products. Our strict allergen control allows you to offer gluten free and "free-from" baked goods made with our premixes.

Consistent Performance

We update our improver formulations according to the wheat season and seasonal flour, so you always get the best flour with a matching improver for optimum results.

SWEET MIXES

We produce the premixes that go into some of Australia's most iconic cakes. Our premixes save you time and hassle – and give you delicious products your customers will love.

Offer a wider product range from a single premix

Our premixes, such as Utility Cake Mix, have been designed to hold different inclusions to give you freedom to be creative.
