ALLIED
PINNACLE

Who we are.

We bake the future from flour and have been doing so for 100 years.

We're Australia's bakery experts. Leaders in flour, ingredients and bakery products, **Allied Pinnacle** is a world-class flour milling and bakery business with more than a 100 year history. We transform Australian grains into iconic and much-loved household products, providing market leading solutions from grain to table.

We mill it

Our national footprint, with mills across every state, means we work closely with Australian farmers so we can deliver the largest range of grains and flours with the highest standard of quality – and in multiple specifications to suit every need.

We mix it

Allied Pinnacle has a broad range of sweet and savoury mixes to suit every application. From bread, through to cakes, doughnuts, muffins and more, our premix solutions deliver quality, taste, value and convenience for Bakeries and Foodservice partners across Australia.

We make it

Whether it's cookies, croissants, cakes or pastries, bread, bagels and savoury rolls – our extensive range of ready-to-serve or ready-to-finish products can help you deliver products that your consumers are sure to love.

A century of expertise

With more than 100 years of history, we've got the experience and expertise to help your business grow. From technical milling experts, through to In-House Bakers and Pastry Chefs, we can help you develop products your consumers will love. Our Sales Force and Customer Teams understand the needs of your business and are on hand to support across different channels including Foodservice, Industrial and Independent Bakeries.

Season Trends.

Your Seasonal Menu and **Allied Pinnacle** Product Inspiration with trending flavours and recipes.

The image shows the cover of the 'Season Trends Summer Edition' brochure. At the top left is the Allied Pinnacle logo, which consists of a stylized sun and wheat icon next to the text 'ALLIED PINNACLE'. Below the logo, the title 'seasonTRENDS' is written in a large, bold, red font, with 'season' in a script font and 'TRENDS' in a serif font. A small sun icon is positioned above the 's' in 'season'. To the right of the title, 'Summer Edition' is written in a smaller, black, sans-serif font. Below the title, there is a photograph of several square cakes with white frosting, red raspberries, and yellow lemon zest. To the left of the cakes, the text 'Refresh your menus with trending seasonal flavours and recipes' is written in a black, sans-serif font. At the bottom of the cover, there are four yellow rectangular boxes, each containing a title and a description of a trending flavour or recipe. The titles are 'Berry Valentine's', 'Dubai Choc Easter', 'Summer Lemon', and 'Coffee Moments'. The descriptions are: 'Love up your Valentine's treats with cheeky raspberry recipes', 'Hop into the latest trend - with mouth-watering choccy creations', 'Add some zing to your summer with these trending desserts', and 'Elevating coffee pairings and infusing desserts with rich coffee flavour' respectively.

ALLIED PINNACLE

seasonTRENDS

Summer Edition

Refresh your menus with trending seasonal flavours and recipes

Flours & Specialty Grains.

A wide range of products

With one of Australia's most comprehensive flour portfolios, our range includes everyday, premium and specialty grains & flours.

Solutions for every need

Each of our products are designed to meet the requirements of Artisan Bakers, Foodservice Operators and Commercial Manufacturers alike.

Quality you can rely on

Our state-of-the-art facilities result in consistently high-quality products that provide outstanding performance, reliability and value for our customers.

Industrial & Bulk Flour

Looking for larger or commercial quantities of flour?

Through our national footprint and logistics network, we partner with some of Australia's largest bakeries.

Speak to us today about your industrial or bulk flour needs.

Sweet & Savoury Bakery.

Simple and convenient

We offer an extensive range of ready-to-serve and ready-to-finish sweet & savoury bakery products, removing complexity from your operations.

Save time, reduce costs

From freezer to oven, prepare your baked goods quickly and easily (no technical skills required), whilst reducing wastage by baking only what you need.

Consistent quality

All our manufacturing sites comply with strict food safety standards and have global quality accreditations.

THE HAPPY FAMILY CO.

Note: Croissants and some Danishes Qty's are based on total weight per carton and this may not be 100% accurate as the products are weighed into the cartons not counted into the cartons.

FTO: Freezer to Oven (Tray up – 30 minutes on the tray and then into the oven at the desired temperature)
RTP: Ready to Prove (Tray up – 30 minutes on the tray and then into the prover to prove to the desired size. These times will vary depending on the product)

Bread, Rolls & Bagels.

Extensive Bakery Range

Consistent quality, ease of use and a complete range of ready-to-serve and semi-finished bakery products for your convenience.

Bread loaves and rolls

From artisan sourdough loaves to crowd-pleasing cheese & bacon tear-and-shares, we help you provide the bread products consumers want most.

The NY Bagel done right

Our NY Bagels honour the traditional New York boil-and-bake method – slow fermented dough, boiled then baked to achieve that unmistakable crisp first bite and signature light and chewy texture.

NY BAGELS

PRODUCT CODE	PRODUCT DESCRIPTION	UNIT
50110765	NYB Bagel Plain Baked 16x120g	120g

Kularomes. *(kuhl-ah-rohmez)*

One bottle, three jobs done.

Enjoy the convenience and simplicity of our extensive range of Kularomes – the ingredient solution that delivers colour, aroma and flavour together in one single bottle.

Replace separate colour, flavour and aroma additions for less complexity and lower ingredient costs.

KEY FEATURES

3-in-1: aroma, taste & colour in one

Icings, fondants & glazes

Baked, cooked & cold applications

Versatility across the whole menu

Strong, authentic flavours

Vivid, true-to-life colours that stand out

Distinctive aroma that lasts even when baked
